SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

The Examiner's attention is directed to the references listed on the attached Form PTO-1449 and copies of which are attached.

A brief explanation of the non-English references is provided below:

Soviet Union Patent No. 161243 discloses a truck having a bed that is capable of being inclined by inflatable members.

Soviet Union Patent No. 931701 discloses a jack that is actuated by a pneumatic rubber ball that is provided with air from a pneumatic cylinder.

German Patent No. 1207221 discloses a vehicle trailer having a platform that can be inclined by an inflatable cushion.

Soviet Union Patent No. 1362826 discloses a hinged dump platform that can be raised and lowered by an inflatable bladder.

German Patent No. 2721384 discloses a tractor chassis that can be raised and lowered utilizing an inflatable bellows.

German Patent No. 2354388 discloses an inflatable assembly that can be used as an automobile jack.

Citation of these references is respectfully requested.

Respectfully submitted,

Kevin P. Moran
